

Ashley Lauren
Design Director/Partner, MM Interior Design Group

Why selected: Lauren quickly rose from designer to partner and provides visionary design leadership, project management oversight, and high-level business decision-making. Her key contributions include a new corporate branding direction, transition to new operational systems, and expansion of a state-of-the-art studio space. She mentors early-career designers and engages with programs at UNC-Greensboro and High Point University.

The Triad is... One of the most welcoming places I've known, and I am proud to call it home.

What is the Triad lacking? More sidewalks and urban walkways.

How do you approach a situation when you don't know what to expect? I go in with a smile and hope for the best!

The last thing you obsessed over. Taylor Swift

A time you were almost famous: I'm a Taurus. I've thought I was famous since I was 5.

Your most meaningful volunteer activity? When I was in college I helped build a house for teen moms in need of shelter.

Surprising fact about yourself? I'm a really good speller.
